"A TASTE OF LES CHATEAUX"

Thanks to all who participated and came out in support of our Annual "Taste of LesChateaux this past June 6th. It was an enjoyable event as well as a great fellowship with our neighbors and friends. The food was great and everyone had a fantastic time. We are looking forward to next year's fellowship!

The Month of July

Wow... Can you believe how fast this year is passing! WE ARE IN THE MONTH OF JULY... halfway through the year, and before you know it, we will be celebrating Thanksgiving and Christmas.

Interestingly...July is famously named in honor of Roman dictator Julius Caesar, as it was his birth month. It sits in the dead center of summer in the Northern Hemisphere and is packed with everything from astronomical phenomena to quirky food observances.

July 3 brings the start of the hot and sultry **Dog Days of Summer**. The term "Dog Days" has been used for millennia to describe the hottest, most sweltering weeks of the Northern Hemisphere summer. Ancient peoples linked it with both astronomy and folklore, often viewing it as a time of drought, disease, or unrest. Today, the phrase evokes images of lazy summer days—but its origins tell a story of stars, calendars, and centuries of observation.

Delicious Month: In the United States, July is officially designated as both *National Ice Cream Month* and *National Hot Dog Month*. Americans consume an estimated 155 million hot dogs on July 4th alone.

The 4th of July. also Known as Independence Day.

is a federal holiday in the United States that commemorates the adoption of the Declaration of Independence on July 4, 1776, which declared the thirteen American colonies free from British rule. It's a day of celebration, marked by fireworks displays, parades, picnics, concerts, and other festivities, as well as displays of patriotism like flying the American flag.

As everyone celebrate the Holiday, please remember to
be Safe with your Fireworks!!

**PLEASE HAVE A SAFE AND BLESSED
4TH OF JULY HOLIDAY!**
